2517 Mr. Marcus:

Q. Doctor, I call your attention to Exhibit 779 which consists of the minutes of the Multnomah County Medical Society for January 2, 1945, and you were listed as present and as President, and it is stated there:

"There was discussion concerning the recently organized telephone employees hospital association. Upon motion duly made and seconded it was voted that the matter of the telephone employees hospital association be referred to the committee on public policy for study and that in the meantime it be recommended to the members that they do not affiliate themselves with this association or any other proposed pre-payment plan of medical service pending the report of the committee."

Does that refresh your recollection? A. Yes.

Q. Now, Doctor, I take it that you not only do not accept tickets and checks of these associations but you also refuse to fill out their forms, is that not so? A. That is correct.

Mr. Marcus: That is all.

By Mr. Jaureguy:

Q. Whatever happened to that matter of the tele-
2518 phone company action, do you know? A. Well, the minutes would show, I presume. I don't recall any further—it may have come back into the Council after I retired as president.

Q. You don't fill out the reports. Do you give your patients sufficient itemized statements— A. We always give the patient an itemized record of what was done, diagnosis, treatment.

Mr. Jaureguy: That is all.

(Witness excused.)

Mr. Jaureguy: Call Dr. Flynn.
